Work experience

Dates

I started my accounting career in 1993 at the Centre for Improvement of Agricultural Mechanization. Between 1999-2001, I worked as a senior accountant for SC AUTO BENELUX SRL, a car importing company having commercial relations with Dutch companies. It also required applying for a visa at that time.

Between 2001-2003, I worked as a Director for SC PRO AUTO INDUSTRIES SA, a company whose main activity was innovation certification for and production of covering sponges for gas pipes.

In 2003, I decided to start working as a registered sole trader in the financial accounting field.

I have been working as an associate partner for SC PROFESIONAL CONTA FIN FISCAL SRL since 2007, being responsible for supervising financial-accounting situations and providing the interface with the state institutions.

Between 2007-2010, I worked as an accountant for SC TYRE GRAND SRL, taking part in a project with non-refundable grants from the Dutch Government.

I am also working as an accountant for the 'ILEANA MUSTATA FOUNDATION', being involved in the 'TOGETHER FOR EUROPE' project.

In 2010, I have become a founding member of 'DAS INTER BILDUNGSZETRUM AURELIA DAMIAN', a charitable association that provides educational, moral and financial support to those in need, no matter their age, sex, or religious affiliation.
