

UWE AGM & Conference 2016

Accommodation

The British Federation of Women Graduates welcomes you to our historic city of Winchester, the ancient capital of England. Dating from Roman times; built beside the ancient river crossing on the medieval grid pattern of streets; home of the English Language Project and of one of the oldest schools in England, as well as one of the most beautiful of England's cathedrals. Church, Law and Education sum up the basic economy.

We hope you will enjoy this compact city in the time you have here and perhaps be tempted to return.
